

ProAV universal video wall mount TH-VWV, TH-VWP-100, TH-VWP-160

The Telehook ProAV universal video wall mounting system is an industry leading modular, interchangeable and upgradeable product range that supports a wide variety of video wall configurations; from a modest 2x2 configuration all the way up to 12x12 and beyond. Its universal display mounting head allows for previously unachievable compatibility with modern video panels. The ProAV range is designed with the needs of public environments and installers in mind; integrating high security features throughout to ensure display security whilst also maintaining ease of installation via the use of clever time saving and safe installation features.

ProAV
