

# 65W GaN USB-C Notebook Charger

The Shintaro GaN USB-C Charger is designed to work flawlessly with USB-C laptops, making it the ideal charging solution for devices such as Lenovo Chromebooks, Dell Chromebooks, Lenovo Yoga, Lenovo ThinkPad, HP Spectre, Dell XPS 12/13", and MacBook Pro/Air (2017-2019). Powered by advanced GaN technology, this charger delivers an efficient 65W output, ensuring fast and reliable charging for all your devices.

It supports PD fast charging up to 65W, allowing you to turbocharge your Apple MacBook, Dell, HP, Lenovo, Asus, Acer, and more. Engineered to work seamlessly with both PD & QC charging protocols, it's perfect for laptops, smartphones, and tablets alike.

With overcharge protection, your devices are safeguarded during every charge, providing peace of mind with every use. The Shintaro GaN Charger is the ultimate power solution for your USB-C devices.
